AHRI and UN Women Australia would like to thank Financial Review BOSS magazine editor Narelle Hooper and deputy editor Catherine Fox for their generosity in freely donating their time to assist with the development of the Gender Equity in the Workplace Summit and moderating on the day.

We are grateful for the invaluable contributions of the facilitators who led discussions in the syndicate groups: Lisa Annese, Prudence Boulton, Emeritus Professor Ed Davis AM, Madisen Harper, Melanie O'Connor, Dr Peter Saul and Professor Amanda Sinclair.

We also appreciate the proficiency of the scribes who ensured that the ideas generated from the syndicate groups were recorded for posterity. They were Janet Mills, Ashleigh Cormack, Rachel Crossman, Brigid Dixon, Annie Lam, Kylie Pearson, and Kate Alexander.
